## Our Performance

AMCO's wide range of services is almost unique in Europe

Non-Ferrous Metal Distribution

- Al, Ms, Cu, Br > 6.000 items always available

- Procurement / storage of individual special products

- Blanks, blocks, rings & circular blanks

- Cutting service

- Surface treatment

Cast-Plate Production

- EN AW 5083 + 5754

- All-sides-sawn & plain-milled cast-plates, blanks and cast-blocks

- Top quality made in Germany

- Especially suited for components with complex machining in tool, mold and model making

CNC-Processing

- Extensive state-of-the-art machinery

- 3-axis & 5-axis machining centers

- CAD/CAM-assisted-manufacture

- Fast delivery thanks to direct access to all common non-ferrous materials

## Our Online Shop

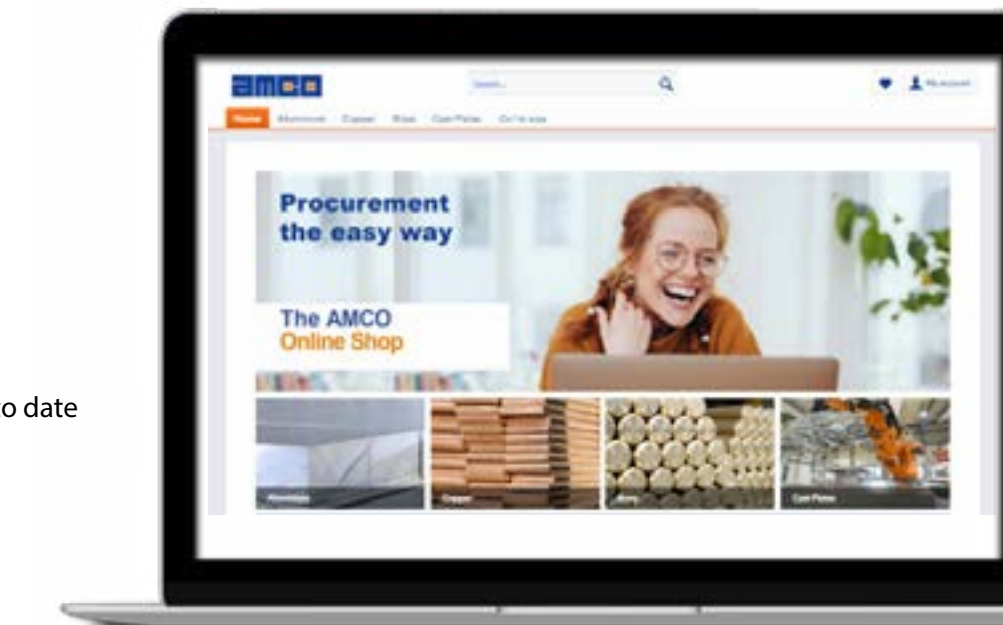

Your access to fast and reliable information & transactions

- Conditions
- Inventory
- Track & Trace (planned)

- Documents
- Memory list

- 365 days, 24/7 available
- No waiting time, always up to date

- Process efficiency as your advantage

shop.amco-metall.de/en

## Our Partnerships

Long-term business relationships with the best service

### OPT. SUPPLY CHAINS

- Framework contracts:
  - Storage
  - Capacity reservations
  - Consignment warehouse
- Just-In-Time logistics solutions
- Early warning system
- Process optimization
- Metal conversion business & recycling systems

### CONNECTED IT

- ERP-communication via EDI
- Connection to shop systems
- Reduction of transaction costs

### YOUR BENEFITS

- Safe, fastest possible delivery
- Minimal process and storage costs
- Highly attractive conditions
- Increase in your own productivity by streamlining processes

AMCO as your link to the global procurement market

## Our Strength

Service as combination of price, time and quality

Attractive Conditions

- Customer-specific advice & conditions
- Optimized cost structure
- Global sourcing
- Continuous purchaser training

Speed

- Fast response time
- Extensive wide product portfolio
- High material availability
- Large & flexible manufacturing capacities
- Short & reliable delivery times

High Quality

- Consistent quality management
- Complaint rate < 0.3%
- Individual processing acc. to your specifications
- Competent specialist advice for special requests
